International Journal of Information and Education Technology

CONTENTS

Volume 4, Number 5, October 2014

Intervention Strategies for the Improvement of Students' Academic Performance in Data Structure Course...383
Regina A. Garcia and Lilac A. Al-Safadi

The Learning Effectiveness of the Concept Map Approach of e-Learning Applied to a Math Class of Special Educational Students in a Vocational School.....388
Wan-Ju Chen, Hong-Min Lin, and Shu-Fen Nien

Improving Female Student Retention in Computer Science during the First Programming Course.....394
Hacer Varol and Cihan Varol

Using Concepts of CSCW to Validate Requirements Elicited for a Brazilian Geographic Information System 399
Danilo Sousa, Ana Siravenha, Damares de Resende, Reginaldo Filho, and Evaldo Pelaes

How Best You Can Utilize Your Computer to Tackle Engineering Problems.....405
Sara I. Khaddaj, Dima A. Fares, M. Khaled Joujou, Karim Y. Kabalan, and Ayman Kayssi

Preparing Faculty for Teaching a MOOC: Recommendations from Research and Experience.....411
Stephanie L. Richter and Murali Krishnamurthi

Heavy-Uploader Tracking System Design in BitTorrent Environment.....416
Jihah Nah and Jongweon Kim

The Study of Achievement and Motivation by e-Learning–A Case Study.....421
Hong-Min Lin, Wan-Ju Chen, and Shu-Fen Nien

Problem-Based Learning and e-Learning in Sound Recording……..426
Michele Della Ventura

Energy Efficient Multipath Routing Protocol with Guaranteed Data Delivery for Wireless Sensor Network...430
Kirankumar B. Balavalad, Ajayakumar C. Katageri, Poornima M. Chanal, and Gururaj Kori

A Graphical Open Source Tool for Preprocessing Satellites Images.....436
Reginaldo Filho, Ana Siravenha, Damares Resende, Danilo Souza, and Evaldo Pelaes

Harassment Monitoring System Using Android Smartphone.....441
Gagandeep Singh, Gurjit Singh, and Navdeep Singh

Technology Integration in Schools Is We Overinvested and Underprepared?.....444
S. Soujah

TouchIn: An NFC Supported Attendance System in a University Environment.....448
Media Anugerah Ayu and Barroon Ismaeel Ahmad

UNL-Based Machine Translation Scheme for Bangla Locative Case Constructs……..454
Nawab Y. Ali, Golam S., and Ameer A.

An Instrument to Measure Math Attitudes of Computer Science Students……459
Parveen J. Ali, Sanwar Ali, and Waleed E. Farag
